

# INDIVIDUALIZED FUNDING COALITION FOR ONTARIO

## ACCORD

*The Individualized Funding Coalition supports the self-determination of persons with disabilities.*

*We believe that all people should have control over decisions concerning where they live, with whom they live, with whom they associate, and how they spend their lives.*

*In order to achieve this we recognize that Ontario must develop a system of funding whereby the person requiring assistance, supported as appropriate by family and/or significant others, has access to and control over the funds allocated for his/her supports.*
