# Have Your Say!

*Let's come together to talk about the issues YOU face.*

**Wednesday, Jan. 19, 2022**  
**6:30 pm – 8:00 pm**

***A virtual gathering for citizens living with a developmental disability and their communication support/ally. Facilitated by Kory Earle.***

Kory is an active, respected member, and co-chair of the Individualized Funding Coalition for Ontario (IFCO) Leadership Group. He is also the Past President of People First of Canada.

## ***Topics to think about prior to the event:***

**How individualized or direct funding, like Passport, can assist you (as an adult citizen living with a disability) with more choice and control, and options for a good life.**

**What your goals are, or your vision for life. What support would be needed to take a step forward as you think about your future.**

***Register by NOON Wednesday, January 19, 2022***

*Event hosted and coordinated by the:*

**Individualized Funding Coalition for Ontario**

*This event is designed to help give voice to individuals who use individualized funding & support, and individuals who are on a waitlist for funding through developmental services. One example is Passport Funding. People who communicate in their own unique way are welcomed to attend with an ally or support - someone who knows them best and would like to assist with communication.*
